教學網要

一、教學目標 (Objective)
1. to introduce the different views toward death. 2. to examine the ritual of death cultures and their meanings.
3. to be aware that death is a part of life so that students can be a position to help the sick face the impending death.

二、先修科目 (Pre Course)
The phenomenon of death is a mystery. Why should a person die if s/he is given the life to live? Yet health is a fact which no body can escape. There are rituals of death to ensure that death never becomes a curse to the survival in every culture. As human knowledge advances to a new stage, humankind realizes that death is a phenomenon which needs no deploration. This course intends to discuss the meaning of life so that the meaning of death can be obtained.

三、教材內容 (Outline)

四、教學方式 (Teaching Method)
1. to introduce the different views toward death. 2. to examine the ritual of death cultures and their meanings.
3. to be aware that death is a part of life so that students can be a position to help the sick face the impending death.
